

Florida Springs Dive Trip

March 1-4, 2018

Join us as we get away from the cold and head south to the Florida Springs for an exciting weekend of diving at

Rainbow River

Devil's Den

Blue Grotto

We will spend three nights in Gainesville, FL arriving Thursday night. Friday morning will take us to the beautiful and scenic Rainbow River where we will have the opportunity to make two relaxing drift dives down the river. Friday night we'll gather back at the hotel to enjoy snacks and drink (including the adult variety) where we can share photos and stories from the day's diving as we finalize plans for diving Devil's Den. Saturday morning we'll make our way to Devil's Den and spend the day exploring the clear spring waters in search of prehistoric fossils, fish, interesting rock formations and the occasional turtle. That evening we'll gather again at the hotel to recount the day's events, share a few stories, and enjoy food and drink together. For those who say two days of diving is not enough, Sunday morning we're planning to head over to Blue Grotto for an optional day of diving (there is an additional cost for admission and fills for those going). We will assist with coordinating carpooling for those interested.
